Why Partner with Dealer.com?

Better Data, Better Results

With the industry’s top-driving websites for the past 22 years and a full suite of marketing solutions, Dealer.com is the choice for the most successful dealerships in the country. Powered by unmatched Cox Automotive consumer data, Dealer.com creates engaging digital marketing experiences to help you sell more cars, more profitably.

“We tried smaller vendors, but needed to think bigger. Dealer.com has the capability to help us do that. We’re seeing measurable results, more flexibility, and more consistency across our entire digital strategy.”

– **Demetrius Moore,**
Marketing Manager, Ramey Auto Group

The Cox Automotive Advantage

Cox Automotive offers an industry-leading suite of solutions to help your dealership connect workflows across sales, service, marketing, and operations to create a seamless consumer experience. By leveraging data from the world’s most trusted automotive platforms, such as Kelley Blue Book and Autotrader, you’ll gain valuable insights that produce real results for your dealership.

1. Statistics based on a Dealer.com study of 524 franchise dealers who subscribed to Experience Optimization over a six-month period from Jan 2020–June 2020. We compared visits where shoppers were exposed to personalized content versus visits where they were not.

2. All Franchise Dealerships in US, Data from July 2020 – Dec 2020. Website Only – ran only websites for entire 6 months July 2020– Dec 2020. Website & Managed Services – subscribed to Websites & Managed Services (and potentially other products) during the same period—July 2020 – Dec 2020.

3. Statistics based on a Dealer.com study of 9,342 dealers who subscribed to Experience Optimization (EO) over a six-month period of January – June 2023. We compared visits where shoppers were exposed to personalized content versus non-personalized content.

A Dealer.com Performance Foundation Package provides personalized shopping, sales, and service experiences that connect automotive retailers with their customers. Through accessible, data-driven design, and unprecedented knowledge of automotive consumers, our websites guide shoppers through frictionless digital experiences, and help dealerships make digital marketing and eCommerce simple and profitable.

The Performance Package provides important upgrades that help your dealership excel. With Site Services, a team of Dealer.com professionals help create operational efficiency for your dealership by making strategic updates to your website. Our Core SEO solution includes the search engine basics for your website combined with ongoing, proactive SEO optimization. The Dealership Review Syndication product allows you to build trust with your consumers and helps you stand apart from your competitors.

Performance Plus guides dealerships with hands-on marketing expertise to help you navigate an increasingly complex digital landscape. A collaborative extension of your dealership, the additional services in Performance Plus save you time, and keep you focused on selling and strategy. They include a Dealer.com Performance Website, plus monthly OEM Compliance Submission, monthly Campaign Creative, increased Search Engine Optimization focus, and Reputation Management support.

Performance Platinum features our most comprehensive and advanced digital marketing services, all working in concert to position your dealership for maximum ROI. Accelerating critical digital marketing opportunities, Performance Platinum includes a Performance Website, all the features of Performance Plus, along with Advanced Campaign Content and Creative, 360-degree reputation management, including Review Generation and Review Response, and our award-winning Premium SEO service.

Dealer.com SEO

The industry's premier SEO service combines automotive expertise with Google, Bing, and Yahoo, and fluency with Dealer.com's market-leading technology platform. The SEO team consists of continuously trained SEO Strategists, Specialists, and Copywriters, that work to capture relevant traffic and steer it toward your Digital Storefront.

Review Generation

\$449/month****

Dealer.com delivers an efficient and personalized way for dealerships to request and collect consumer reviews across multiple GMBs and industry-leading review sites, all while the dealership experience is top-of-mind. Review Generation elevates the voice-of-the-customer through an always-on, SMS-based review growth strategy that is easy to use and painless for consumers.

Advanced Reputation Management

\$329/month

Dealer.com offers dealers a coordinated consumer review and response management solution that reinforces your customer service commitment online, strengthens local SEO, and delivers valuable content you can use to attract additional shoppers.

Reputation Response Specialists monitor and respond to all reviews (both positive and negative), in lockstep with established dealership processes. Our solution combines coordinated third-party review response management, Google My Business review optimization, and dealer website syndication—with your best reviews showcased on your website. These combine to deliver consistent, high quality interactions with all dealership customers across all profit centers.

Managed Social

Dealer.com's dedicated social professionals combine creative content with community management for a complete social presence. Campaigns consistently align with your overall digital strategy and brand guidelines, and encompass a complete range of services that optimize your social identity and reach.
