

Vehicle Listings

for Mazda dealers

Get access to the new Vehicle Listings (formerly Cars for Sale) beta program to feature inventory directly on Google with Adpearance.

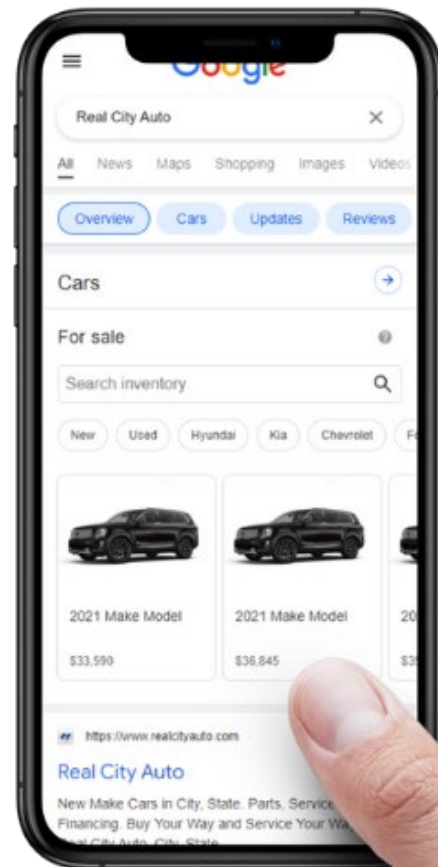

Seamlessly Display Your Inventory on Google

Car shoppers searching for a Mazda dealership by name will now be able to see the “for sale” inventory in the dealership’s Google Business Profile. Availability, pricing, and key information about the cars for sale are seamlessly pulled from the dealership’s site on a daily basis, and available directly on Google.

Mazda dealership shoppers will be able to:

- Search inventory
- Filter by category
- Browse in a carousel
- View individual listings

without ever leaving the Google search engine results page.
