

YOUR CUSTOMERS' EXPECTATIONS HAVE CHANGED. YOUR MARKETING SHOULD TOO.

DRIVEN BY YOUR VISION. FUELED BY BETTER INFORMATION.

purecars.com/mazda | mazda@purecars.com

Today's buyers reveal themselves in many ways. Where they shop, how they search, how much they want to spend. The most cost-efficient way to bring them in and convert them is with PureCars digital advertising, merchandising, lead gen and conversion tools -- and PURE™ Insights. With PureCars, everything is in one place, for a flat fee per package, and always powered by PURE Intelligence.

GREAT FOR THE CUSTOMER. BETTER FOR THE DEALER.

The one constant in automotive is change. From inventory shortages to disruptive online retailers and everything in between. Now more than ever, dealers need to be on top of their game. They need to make decisions quickly in order to adapt and better serve their customers -- and they need data-inspired insights they can rely on to help guide the way. Better information drives better decisions, and better decisions drive better results. Beyond business intelligence, PURE Insights delivers information that is PURE: Proven, Understandable, Relevant & Essential, giving you the competitive advantage you need to thrive in your market.

TURN DIGITAL MARKETING INTO YOUR UNFAIR ADVANTAGE

purecars.com/mazda | mazda@purecars.com

PureCars is an automotive MarTech and FinTech company that's in the business of transforming the way dealers, dealer groups, Tier 2 and Tier 3 providers make decisions that impact their bottom line – from advertising to operations. Everyone claims to have data, but only PureCars has PURE™ Intelligence, giving dealers a competitive edge with information that is PURE: Proven, Understandable, Reliable and Essential. By providing superior information and execution, we give our customers precisely what they need to operate more efficiently, lower their cost per unit sold and win in their market. PureCars has been serving the automotive industry exclusively since 2007. We are a certified digital provider for 15 OEMs in the U.S. and 1 in Canada, compliant with 40+ brands and serve 65 of the top 100 dealer groups in North America.
