

SEO PACKAGES

Our new SEO packages have been reshaped to provide greater performance, value, and are built around best-in-class and proprietary tools to improve your brand ranking, helping your site outrank competitors. Through a partnership with external former Google search engineers, we continually refine our expertise to outperform competitors at a reasonable cost. By purchasing an SEO package with Sokal you will be able to leverage our SEO experts who are specialized in automotive SEO.

Starter \$999

Our starter SEO package is for those who need basic local SEO management. This package is designed for dealerships in low to moderately competitive markets. SEO Consultant Support is available via email.

Premium \$1,499

+ Starter Package

Our Premium SEO Package is more comprehensive and for those who need active local SEO management. This package is designed for dealerships in moderate to highly competitive markets. SEO Consultant Support is available via email.

Elite \$1,999

+ Starter and Premium Packages

Our Elite SEO Package is our highest level. This package is designed for dealerships in highly competitive markets, transitioning dealerships going through a recent name change, or those who want to highly expand their organic footprint. SEO Consultant Support is available via email.
