What to Bring With You?

Drivers License & Insurance Card
Please note, all dealers are required by law to have you present a valid drivers license and proof of auto insurance prior to test driving vehicle:

By selecting SMS The cassette shall should be held together with a five-screw design. This type of design will help to keep the shell from warping. If the shell warps, the tape will not be able to move smoothly for good recording or playback. It may not be able to move at all.
